## ABOUT US

ACE Forwarding, headquartered in Romulus, MI, has been providing Calibrated Supply Chain Solutions for our clients since 1994. Ace's primary goal is to be your trusted partner in navigating the complexities of global trade and transportation. With a Commitment to Service as the bedrock of our company, we offer a comprehensive suite of services tailored to meet the diverse needs of our current clients across various sectors including: Automotive, Aerospace, Manufacturing, Medical, Photonics, any many more. Our vertically integrated approach ensures full control over every aspect of our offerings, from Expert Crating Solutions to Efficient Airfreight Logistics and ground transportation services.

## DIFFERENTIATORS

- **Location-** Our strategic location, with proximity to Detroit Metro Airport (DTW), facilitates swift and efficient air freight solutions, ensuring timely delivery of goods to destinations worldwide. Situated within one of the largest Automotive & Aerospace manufacturing hubs in North America, we are uniquely positioned to understand and meet the dynamic needs of partners at the forefront of innovation.
- **Technology-** Our Industry-Leading Technology Solutions allow Ace to provide Real-Time Visibility thru State-of-the-Art Integrated Tracking Systems on every shipment ensuring Transparency and Accountability every step of the way. By harnessing the latest advancements in Logistics Technology, we're able to Optimize routes, minimize transit times, and ultimately Deliver Efficient On-Time Results.
- **Our People-** Ace's Hands-On Management team, boasting over 8 Decades of collective Logistics experience, positions Ace as a Leading Expert in Global Expedited Logistics. Ace's Global Air & Ground Operations Teams, both based out of our Headquarters in Romulus, MI, operate a 24/7 schedule which allows Ace to proactively manage exceptions and ensure the Freight Arrives On-Time. **\*Every Ace employee has a TSA Security Threat Assessment on file.\***
